NOTES: -

1. Pursuant to General Circulars issued by the Ministry of Corporate Affairs dated April 8, 2020, April 13, 2020, May 5, 2020, September 19, 2024 and subsequent circulars issued in this regard, the latest circular no. 03/2025 dated September 22, 2025 (collectively referred to as 'MCA Circulars') has allowed inter-alia, conduct of AGMs through Video Conferencing/ Other Audio-Visual Means (VC/OAVM) facility in accordance with the requirements provided in paragraphs 3 and 4 of the general circular no. 20/2020. Accordingly, in compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (LODR) Regulations, 2015 ("SEBI Listing Regulations") and MCA Circulars, the AGM of the Company is being held through VC / OAVM, without the physical presence of the members at a common venue. The detailed procedure for participation in the Meeting through VC / OAVM is as per note given below. The deemed venue shall be the Registered Office of the Company.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020, May 05, 2020 and SEBI/HO/CFD/CMD2/CIR/P/2021/11, dated January 15, 2021 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an arrangement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.connectbroadband.in. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
7. All the Directors of the Company has been disqualified under Section 164(2)(b) of the Companies Act, 2013 w.e.f April 1, 2025 due to non-redemption of the Non- Convertible Debentures (NCDs) that were issued in exchange for the Term Loan granted by the Lenders of the Company under Corporate Debt Restructuring Scheme. Accordingly no eligible Director is retiring by rotation and their reappointment under Section 152 of the Companies Act 2013.
8. In terms of the provisions of Section 102 of the Companies Act, 2013, the Statement setting out material facts in respect of all Special Business to be transacted at the meeting is annexed and forms part of the Notice.
9. Copies of Notice of 79th Annual General Meeting together with Annual Report are being sent by electronic mode to all the members whose email addresses are registered with the Company/Depository Participant(s) and shares held in the electronic form, to those beneficial owners of the shares as at the close of business hours on Friday, 14th August, 2026 as per the particulars of beneficial owners furnished by National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL).
10. Corporate Members are encouraged to attend and vote at the AGM through VC/OAVM. Corporate members intending to authorize their representatives to participate and vote at the meeting are requested to send a certified copy of the Board resolution / authorization letter to the Company or upload on the VC/OAVM portal / e-voting portal.

STATUTORY AUDITORS' REPORT

The Statutory Auditors of the Company, M/s. SGN & Co., Chartered Accountants, Mumbai as Statutory Auditors, have submitted the Auditors' Report which has the following observation on Standalone Financial Statements for the period ended March 31, 2026.

MANAGEMENT'S EXPLANATION TO THE AUDITORS' QUALIFICATIONS/OBSERVATIONS: -

1) Auditors' Qualifications in the Standalone Auditor's Report

Basis of Qualified Opinion:-

- a) We draw attention to note no. 43 of the financial statements, the Company has incurred continuous losses in the year, resulting in complete erosion of its net worth and its current liabilities exceed its current assets and also default on the repayment of its borrowings. Further, Company is currently undergoing Corporate Insolvency Resolution Process (CIRP) and multiple litigations are pending before various courts and authorities. Consequent to these ongoing uncertainties and pending legal outcomes, we were unable to obtain sufficient and appropriate audit evidence regarding the appropriateness of management's use of the going concern basis of accounting in the preparation of these financial statements. These factors indicate a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern and, therefore, it may be unable to realize its assets and discharge its liabilities in the normal course of business. The financial statements do not adjust and disclose this fact.

- b) We draw attention to note no. 41 & 42 of the financial statements, the pending determination of obligations and liabilities in respect of various claims submitted by operational creditors, financial creditors, other creditors and employees. The said claims are presently under reconciliation, verification and adjudication by the Resolution Professional ("RP"). Since the final amount payable against these claims has not yet been determined, the consequential cumulative effect thereof on loss including other comprehensive income/(loss) for the year, assets, liabilities and other equity is unascertainable.
- c) We draw attention to note no. 44 of the financial statements, finance cost of Rs. 5,849.35 Lakhs have not been provided in the statement of profit and loss, for the year ended March 31, 2026. Had such finance cost been provided, the loss including other comprehensive income/(loss) for the year ended March 31, 2026 would have been higher by Rs. 5,849.35 Lakhs.
- d) We have been informed that information in relation to the Corporate Insolvency Resolution Process (CIRP), including minutes of meetings of Committee of Creditors, and the outcome of procedures carried out by the RP as a part of the CIRP are confidential in nature and not provided to us. Accordingly, the potential impact, if any, of the aforesaid matters, on the financial statements is unascertained.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, *except for the possible effect of the matter described in the Basis for qualified Opinion in above point a, b, c & d*, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its loss including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Management's Explanations to the Auditor's Qualification in the Standalone Auditor's Report

- a) The Company is in process of reconciliation / adjustments, amount of claims admitted by the Resolution Professional may differ from the amounts appearing in the financial statements of the Company. Claims shall be dealt with in accordance with the provisions of the IBC and requisite accounting adjustments, if any, will be made upon completion of the resolution process and implementation of the approved resolution plan.
- b) Company is being managed and operated as a going concern, Financial Statements have been prepared on the basis of assumption of going concern with a view to revival of the Company through Resolution Plan process.
- c) Company is being managed and operated as a going concern, Financial Statements have been prepared on the basis of assumption of going concern with a view to revival of the Company through Resolution Plan process.
- d) Company is being managed and operated as a going concern, Financial Statements have been prepared on the basis of assumption of going concern with a view to revival of the Company through Resolution Plan process.

2) Auditors' Observation in the Annexure to the Standalone Auditor's Report

Point No. IX (a) of the Annexure to Auditor's Report which summarizes the basis of Qualification

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2026

[Pursuant to Section 204(1) of the Companies Act, 2013 and RuleNo.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members
Quadrant Televentures Limited (in CIRP)
Plot no. 66, CIDCO N-2, Near Kamgaar Chowk,
Behind Synergy Hospital,
Chhatrapati Sambhaji Nagar (MH) - 431003

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Quadrant Televentures Limited** (hereinafter called "the company"). Secretarial Audit was conducted in a manner that provided to us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Further, the Hon'ble National Company Law Tribunal ("NCLT"), Mumbai bench, has admitted the petition for initiation of the Corporate Insolvency Resolution Process ("CIRP") under section 7 of the Insolvency and Bankruptcy Code, 2016 filed by the financial creditors i.e. IDBI Trusteeship Services Limited on 2nd September, 2025 and the power of the Board stood suspended and the affairs of the company were vested with Mr. Atul Kumar Kansal, the Interim Resolution Professional (IRP) appointed as such through the NCLT order for admission of application filed for initiation of CIRP dated 2nd September, 2025, who was further replaced by the another NCLT order dated 12th January, 2026 and the affairs of the company are currently being managed by Mr. Rajesh Jhunjhunwala, the Resolution Professional (RP).

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2026, has complied with the statutory provisions listed hereunder and also that the company has proper board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Company for the financial year ended on 31st March, 2026 according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- IV. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings:-**(Not applicable during the audit period)**;
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act"):-

- a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- b) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018:-**(Not applicable during the audit period)**;
- e) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021:-**(Not applicable during the audit period)**;
- f) Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021:- **(Not applicable during the audit period)**;
- g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021:-**(Not applicable during the audit period)**;
- i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018:- **(Not applicable during the audit period)**.

VI. We have relied on the representation made by the Company & its Officers/RP for the system and mechanism formed by the Company for compliances under other applicable Acts such as Environmental Laws & Labour Laws as per list attached herewith.

The other laws as informed and certified by the officers of the company which are specifically applicable to the Company based on their sector/ industry are:

- (a) The Indian Telegraph Act, 1885.
- (b) The Telecom Regulatory Authority of India Act, 1997 and Rules and Regulations made thereunder.

We have also examined compliance with the applicable clauses of the following:

- (a) Secretarial Standards issued by The Institute of Company Secretaries of India;
- (b) The Listing Agreement entered into by the Company with BSE Limited.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, except the following :-

1. *During the year under review, Company had defaulted in redemption of Non-Convertible Debentures issued to the financial creditors as per agreed terms, hence the directors of the company continued to be disqualified under Section 164 (2) (b) of the Companies Act, 2013.*

2. In continuation of incapacity and financial instability of the company, it has continued to be in default towards:
 - o Redemption of Non-Convertible Cumulative Fully Redeemable Preference Shares
 - o Redemption of Non-Convertible debentures
 - o Principal & interest amounts thereon.

Consequently, the Company went into CIRP on admission of application made by the financial creditor i.e. M/s IDBI Trusteeship Services Limited.

3. Pursuant to Regulation 24A(2) of SEBI (LODR), Regulations 2015, the Annual Secretarial Compliance Report for the year 2024-25 was filed on 10.06.2025 with a delay of 11 days, consequently the penalty of Rs. 21,240/- was levied on the company by the Stock Exchange (BSE LIMITED) which has been duly paid by the company.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

ECONOMY AND INDUSTRY OVERVIEW

Macro Economic Situation

The Government of India continues to provide strong policy and regulatory support to the telecommunications sector, with a focus on accelerating digital connectivity, promoting innovation, strengthening domestic capabilities, and expanding digital inclusion. Initiatives under the Atmanirbhar Bharat framework are encouraging the development and manufacturing of telecom products and equipment within India, with the broader objective of establishing the country as a globally competitive telecom technology and manufacturing hub.

Telecommunications has evolved into a critical infrastructure sector, enabling high-speed and reliable connectivity across households, businesses, institutions, and government services. The rapid deployment and adoption of 4G and 5G networks, fiber-based broadband, high-capacity optical networks, cloud services, and data center interconnections are driving sustained demand for advanced telecom infrastructure and equipment.

The growing penetration of the internet and increasing use of bandwidth-intensive applications including high-definition video streaming, social media, online gaming, digital payments, e-commerce, cloud applications, and enterprise connectivity are contributing to significant growth in data consumption and network traffic. This trend is compelling telecom operators and infrastructure providers to continuously upgrade network capacity, coverage, performance, and resilience.

Consequently, telecom operators are increasing investments across mobile network infrastructure, optical transmission systems, broadband access networks, data networking, and packet-switching infrastructure. These investments are aimed at meeting the rising demand for high-speed connectivity while ensuring improved network quality, reliability, scalability, energy efficiency, and cost effectiveness. The continued expansion of digital services, coupled with India's growing emphasis on indigenous technology and manufacturing, is expected to support the long-term growth and transformation of the telecom equipment market.

The Indian telecommunications industry has demonstrated its strategic importance by serving as a critical enabler of economic activity, public services, and digital connectivity during periods of disruption. The sector has continued to support businesses, government institutions, households, and consumers by ensuring uninterrupted access to communication and digital services, while simultaneously navigating significant financial, regulatory, and competitive challenges.

Despite these pressures, the industry has continued to evolve, supported by increasing data consumption, network modernization, and the rollout of next-generation technologies. The sector has also witnessed a gradual improvement in financial and operational conditions following tariff revisions, although Indian consumers continue to benefit from highly competitive telecom pricing alongside some of the world's highest levels of mobile data consumption.

The Government of India has played an important role in strengthening the sector through measures aimed at improving ease of doing business, facilitating market access for telecom equipment, encouraging domestic manufacturing, and establishing a transparent and proactive regulatory environment. Policy initiatives have increasingly focused on promoting investment, innovation, technology adoption, and indigenous capabilities across the telecom value chain.

These measures have contributed to the continued availability of reliable and affordable telecommunications services while supporting the industry's transition toward 5G, fiber broadband, digital infrastructure, and advanced network technologies. The combination of strong policy support, rising digital demand, and ongoing network investments is expected to further strengthen the telecommunications ecosystem and its contribution to India's digital economy.

Digital initiatives have emerged as a key driver of sustainable economic and social development, enabling innovation, improving efficiency, and expanding access to essential public and private services. The continued development of **Digital Public Infrastructure (DPI)**, along with technology-enabled solutions in areas such as healthcare, education, financial services, and governance, is improving service delivery and contributing to greater inclusion and accessibility.

India's digital transformation agenda is focused on building a digitally empowered society and a knowledge-driven economy by expanding digital connectivity, strengthening digital infrastructure, and promoting technology adoption across sectors. The rapid evolution of the digital ecosystem is also transforming the way organizations operate, compelling businesses to reassess their operating models, strategies, customer engagement approaches, and product and service portfolios.

To remain competitive in an increasingly technology-driven environment, organizations are investing in new digital solutions and modernizing their technology infrastructure. Key technologies such as Data Analytics, Cloud Computing, Artificial Intelligence (AI), Machine Learning (ML), Cybersecurity, Automation, and Internet of Things (IoT) are increasingly being integrated across business functions, including marketing, sales, finance, operations, customer service, and supply chain management.

The convergence of these technologies is enabling organizations to improve operational efficiency, enhance customer experiences, strengthen decision-making, optimize costs, and develop new sources of growth. As digital adoption continues to accelerate, technology-led transformation is expected to remain a critical priority for organizations seeking to build scalable, resilient, and future-ready business models.

Regulatory Developments/Changes:

During FY 2025-26, the Indian telecommunications sector witnessed continued regulatory reform aimed at strengthening the legal framework, improving consumer protection, enhancing network

security, and facilitating the growth of digital infrastructure. The implementation of the **Telecommunications Act, 2023** continued to progress through supporting rules, notifications, and regulatory measures, with the Government moving toward a more technology-neutral and streamlined framework for the sector.

Key regulatory developments during the year included:

- **Strengthening of telecom cyber security:** The Government notified the **Telecommunications (Telecom Cyber Security) Amendment Rules, 2025** in October 2025. The amendments strengthened the regulatory framework for telecom cybersecurity and introduced additional mechanisms relating to mobile number validation and protection of telecom identifiers.
- **Critical Telecommunication Infrastructure:** In July 2025, the Department of Telecommunications notified the framework for declaration of **Critical Telecommunication Infrastructure** under the Telecommunications Act, 2023, reinforcing the focus on resilience and security of critical telecom networks and infrastructure.
- **Consumer protection and spam control:** TRAI continued to strengthen measures for controlling unsolicited commercial communications. The **Telecom Commercial Communications Customer Preference (Second Amendment) Regulations, 2025** were issued in February 2025, alongside further directions during FY 2025-26 to address misuse of headers and content templates and strengthen consent-based commercial communications.
- **Tariff and regulatory framework:** TRAI issued the **Telecommunication Tariff (71st Amendment) Order, 2025** in June 2025, while continuing its review of tariff and consumer-related regulatory provisions.
- **Quality of Service:** TRAI continued implementation of the 2024 Quality of Service framework, including directions issued during FY 2025-26 for greater transparency in reporting and publication of service-provider performance against prescribed QoS benchmarks.
- **Spectrum and infrastructure sharing:** TRAI provided further recommendations and responses during FY 2025-26 on **telecommunication infrastructure sharing, spectrum sharing and spectrum leasing**, supporting more efficient utilization of telecom infrastructure and spectrum resources. TRAI also issued recommendations concerning additional spectrum bands identified for IMT services.
- **Digital infrastructure and Right of Way:** The Government continued implementation of the **Telecommunications Right of Way Rules, 2024**, with various States and Union Territories issuing implementation orders during FY 2025-26. These measures are intended to streamline approvals for deployment of telecom infrastructure, including fiber networks and 5G infrastructure.

Overall, the regulatory developments during FY 2025-26 indicate a shift toward a **more comprehensive, security-focused and technology-oriented telecom regulatory environment**. The reforms

are expected to support network expansion, improve consumer protection, facilitate efficient infrastructure and spectrum utilization, strengthen cybersecurity, and create a more predictable framework for investment and innovation in India's telecommunications sector.

TRAI has issued following directions and Recommendations in the financial Year 2025-26:

Directions:

1. Direction regarding Public Data Offices (PDOs) under the PM-WANI Scheme. The information is required to be submitted in the format prescribed in the Annexure to the said Direction within ten (10) days from the end of each quarter, dated 12-9-2025
2. **Direction regarding SIP/PRI** Now therefore, in exercise of powers conferred under Section 13 of the Telecom Regulatory Authority of India Act, 1997 read with the relevant provisions of TCCCPR, 2018, the Authority hereby directs all Access Providers as follows:
 - (i) Mandatory registration of SIP/PRI users on DLT This Direction applies only to those SIP/PRI resources originating Bulk Commercial Communications, as defined under clause 2(f) of the Telecom Commercial Communications Customer Preference Regulations, 2018.
 - (ii) Every Access Provider shall ensure that every legal entity or individual using SIP/PRI resources with outbound calling capability is registered on the Distributed Ledger Technology (DLT) platform prior to activation of such resources. Such registration shall include assignment of a unique identifier namely "Unique Primary SIP Identification Number (UPSIN)", similar to the registration framework already being followed for entities using 140-series resources and registered on DLT.
 - (iii) UPSIN shall be a 20-character alphanumeric header, comprising the 10-digit pilot number of the SIP/PRI connection followed by a 10-character alphanumeric identifier assigned to the entity.
 - (iv) The registration data shall, inter alia, include details of DID/calling numbers allotted to the entity or individual and number of concurrent call capacity of SIP/PRI trunk. Any addition, modification or surrender
3. Direction dated 27.01.2026, the Access Provider is required to submit the Performance Monitoring Report in the prescribed revised formats attached with the Direction.
4. Direction under section 13, read with sub-clauses (i) and (v) of clause (b) of sub-section (1) of section 11, of the Telecom Regulatory Authority of India Act, 1997, regarding institutionalization of AI/ML-based unsolicited commercial communication (UCC) Detect intelligence for inter-operator sharing and regulatory action against UCC senders dated 27-02-2026.
5. Amendment to the Direction No. D-27/ 1/1(1) /2025-QoS (E-16147) dated the 9th June, 2025 regarding updation of Location Routing Number (LRN) on the DLT platform during the port

out window under the provisions of the Telecom Commercial Communications Customer Preference Regulations, 2018 (6 of 2018). Dated 16-02-2026.

6. Direction under section 13, read with sub-clauses (i) and (v) of clause (b) of sub-section (1) of section 11, of the Telecom Regulatory Authority of India Act, 1997 (24 of 1997) regarding mandatory adoption of 1600-series numbers by IRDAI regulated entities. Dated 16-12-2025
7. Direction under section 13, read with sub-clauses (i) and (v) of clause (b) of sub-section (1) of section 11, of the Telecom Regulatory Authority of India Act, 1997 (24 of 1997) regarding phase-wise implementation of mandatory adoption of 1600-series numbers by RBI, SEBI and PFRDA regulated entities. Dated 19-11-2025
8. TRAI Direction No. RG-29/(1)/2025-QoS dated 09.09.2025 to the service providers regarding publication of their performance with respect to the benchmark of Quality of Service parameters specified under the Standards of Quality of Service of Access (Wireline and Wireless) and Broadband (Wireline and Wireless) Service Regulations, 2024 (06 of 2024) dated 9-9-2025.
9. Direction under section 13, read with sub-clauses (i) and (v) of clause (b) of sub-section (1) of section 11, of the Telecom Regulatory Authority of India Act, 1997 (24 of 1997), regarding conduct of Pilot Project for acquisition of fresh digital consent through the Consent Registration Function (CRF) Framework with RBI-regulated Banks dated 13-06-2025.
10. Direction under section 13, read with sub-clauses (i) and (v) of clause (b) of sub-section (1) of section 11, of the Telecom Regulatory Authority of India Act, 1997 (24 of 1997) regarding compliance of Standard Operating Procedure for restoration of telecom resources disconnected under the Telecom Commercial Communications Customer Preference, dated 7-04-2025

Business Overview

Quadrant Televentures Limited (QTL) is a Unified License Services Licensee and an Internet Service Provider in the Punjab Telecom Circle comprising of the State of Punjab, the Union Territory of Chandigarh and the Panchkula town of Haryana. The Company started its operations as a fixed line service provider under the brand name "CONNECT" in the year 2000. Subsequently, the Company was granted the UASL License (Unified Access Services License) in the Punjab Telecom Circle in 2003, which was further migrated to Unified License in the year 2015. Apart from the UASL License, the Company also holds the ISP (Internet Service Provider) License Category - A (PAN INDIA) and the IP-1 (Infrastructure Provider-Category -1) License for providing services in the Punjab Telecom Circle.

Currently, the Company is providing Broadband Services on FTTH/DSL/VDSL technology, Fixed Voice (Landline) services, Internet Leased Line and P2P services in the Punjab Telecom Circle. As on March 31, 2026, the Company had a total subscriber base of 3.31 Lakhs customers.

The data consumptions and requirement of speed is increasing manifold which is one of the main reasons service providers and users are looking at fiber-to-the-home (FTTH) broadband connections as a potential solution. It is widely believed that FTTH is the only technology with enough bandwidth to handle projected consumer demands during the next decade reliably. Fiber has a virtually unlimited bandwidth coupled with a long reach, making it "future safe," or a standard medium that will be in place for a long time to come.

Keeping all these things in mind the main focus of the QTL team has been to expand the FTTH footprint across the state of the Punjab. However since FTTH rollout is an expenditure intensive ventures, thus QTL has roped in multiple partners who are doing investment on behalf of the QTL from node to the customer premises. The ONT i.e. CPE is also being provided by the partner.

In last one year 0.21 Lakhs new FTTH home passes/ports have been rolled out thus increasing the total FTTH capacity to 5.80 Lakhs. Total FTTH subscriber base has dropped from 2.27 Lakhs in March 2025 to 2.18 Lakhs in March 2026.

OPPORTUNITIES AND THREATS

Opportunities

The continued expansion of high-speed broadband connectivity presents a significant growth opportunity for the Indian telecommunications industry. The rapid transition from legacy 2G/3G networks toward 4G and 5G technologies is driving sustained demand for advanced telecom infrastructure, including radio access equipment, baseband units, antennas, transmission systems, and associated network components. While 5G adoption is accelerating across major markets, the continued expansion of 4G networks and subscriber migration in developing and underserved regions provides substantial headroom for further growth.

India's large and geographically diverse population, coupled with the increasing availability of affordable smartphones and broadband services, creates significant potential for further wireless broadband penetration. In several regions, particularly rural and semi-urban areas, wireless connectivity remains an important means of accessing the internet due to the relatively limited availability of fixed broadband infrastructure. The ongoing expansion of fiber backhaul, 4G coverage and 5G networks is expected to improve connectivity and support the migration of users toward higher-speed digital services.

The Company is putting all initiatives to maintain the quality of services and retainability of the subscribers of the Company in view of the prevailing preferences of the subscriber and competition in the market.

Threats

The rapid adoption of cloud-based communication, collaboration and digital workplace solutions presents a potential threat to traditional telecom voice services. As enterprises accelerate their digital transformation and increasingly migrate from on-premise infrastructure to cloud-based platforms, conventional voice and legacy communication services may face declining relevance and demand.

The emergence of new digital communication technologies is also intensifying competitive pressure within the telecommunications industry. Telecom operators, technology companies and cloud service providers are increasingly offering integrated communication solutions that combine connectivity with software-enabled services. This convergence may result in pricing pressure, substitution of traditional voice services, lower revenue from legacy offerings and increased customer expectations.

As enterprises continue to adopt hybrid and cloud-first operating models, the Company may need to continuously invest in network modernization, cloud capabilities, digital platforms and value-added enterprise solutions to remain competitive. Failure to adapt its service portfolio in line with evolving customer requirements could adversely affect the Company's ability to retain enterprise customers and sustain revenues from traditional communication services.

Outlook

The Company remains focused on strengthening its brand presence and enhancing customer engagement through sustained investments in brand building, marketing initiatives and customer-centric communication. During the coming period, the Company plans to undertake targeted brand interventions aimed at improving visibility, reinforcing brand positioning and deepening engagement across key customer segments.

RISK & CONCERNS

Regulatory team along with legal and network keeps a close watch on compliances with regulations and laws and ensures the operations of the Company are within the prescribed framework, and have also implemented business continuity plan wherever required. The Risk Management framework of the Company ensures regular review by management to proactively identify the emerging risks, to do risk evaluation and risk prioritization along with development of risk mitigation plans and action taken to minimize the impact of the risk.

Due to lack of adequate infrastructure, the growth of wired internet has been restricted to major cities as a result of which wireless remains the preferred means of connecting to the internet. However, there is significant headroom for broadband wireless penetration (as a percentage of population) to improve further as rest of India upgrades towards broadband connectivity.

INTERNAL CONTROL SYSTEM AND ITS ADEQUACY

Company has in place adequate internal control systems commensurate with the size of its operations. The Company has in place adequate controls, procedures and policies, ensuring orderly and efficient conduct of its business, including adherence to the Company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of accounting records and timely preparation of reliable financial information.

Independent firm M/s Grant Thornton Bharat LLP conducts the internal audit for various functions/ aspects. It reviews and evaluates and presents their reports to the Audit Committee and the management at regular intervals. The Internal Auditors' reports dealing with internal control systems are reviewed by the Audit Committee and appropriate actions are taken, wherever necessary. The Internal Control is set up in such a way so as to ensure that the Financials and the other records are reliable for preparing the financial statements of the Company.

SEGMENT WISE AND PRODUCT WISE PERFORMANCE

INDEPENDENT AUDITOR'S REPORT

To the Members of

Quadrant Televentures Limited

(Company under Corporate Insolvency Resolution Process "CIRP")

Report on the Audit of the financial statements

1. Qualified Opinion

We have audited the accompanying financial statements of **Quadrant Televentures Limited** ("the Company" under CIRP), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss including Other Comprehensive Income, Statement of changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, *except for the possible effect of the matter described in the Basis for qualified Opinion in paragraph 2 below*, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its loss including other comprehensive income/(loss), changes in equity and its cash flows for the year ended on that date.

2. Basis for Qualified Opinion

a) We draw attention to note no. 43 of the financial statements, the Company has incurred continuous losses in the year, resulting in complete erosion of its net worth and its current liabilities exceed its current assets and also default on the repayment of its borrowings. Further, Company is currently undergoing Corporate Insolvency Resolution Process (CIRP) and multiple litigations are pending before various courts and authorities. Consequent to these ongoing uncertainties and pending legal outcomes, we were unable to obtain sufficient and appropriate audit evidence regarding the appropriateness of management's use of the going concern basis of accounting in the preparation of these financial statements. These factors indicate a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern and, therefore, it may be unable to realize its assets and discharge its liabilities in the normal course of business. The financial statements do not adjust and disclose this fact.

- b) We draw attention to note no. 41 & 42 of the financial statements, the pending determination of obligations and liabilities in respect of various claims submitted by operational creditors, financial creditors, other creditors and employees. The said claims are presently under reconciliation, verification and adjudication by the Resolution Professional ("RP"). Since the final amount payable against these claims has not yet been determined, the consequential cumulative effect thereof on loss including other comprehensive income/(loss) for the year, assets, liabilities and other equity is unascertainable.
- c) We draw attention to note no. 44 of the financial statements, finance cost of Rs. 5,849.35 Lakhs have not been provided in the statement of profit and loss, for the year ended March 31, 2026. Had such finance cost been provided, the loss including other comprehensive income/(loss) for the year ended March 31, 2026 would have been higher by Rs 5,849.35 Lakhs.
- d) We have been informed that information in relation to the Corporate Insolvency Resolution Process (CIRP), including minutes of meetings of Committee of Creditors, and the outcome of procedures carried out by the RP as a part of the CIRP are confidential in nature and not provided to us. Accordingly, the potential impact, if any, of the aforesaid matters, on the financial statements is unascertained.

We conducted our audit in accordance with the Standards on Auditing ("SA"s) specified under Section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our **qualified** opinion on the financial statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1.	<u>Revenue Recognition:</u> Revenue is recognised at the fair value of the consideration received or receivable, which is generally the transaction price, net of any taxes / duties, rebate, discounts and process waivers. (refer note 3.12) Due to Company's various type of product/services and the competitive business environment, the estimation of various types of discounts, rebate, waivers to be recognised based on services made during the year is material and considered to be judgmental. Due to the level of judgement relating to recognition revenue, discount, rebate and waiver, this is considered a key audit matter.	<u>Our Audit procedure included:</u> - Assessing the appropriateness of the revenue recognition accounting policies, including those relating to discount, rebate and waivers by comparing with applicable accounting standards. - Testing the design, implementation and operating effectiveness of the Company's general IT controls over the Company's systems and manual controls, which govern recording of revenue and discount, rebates and waiver in the general ledger accounting system. - Performing substantive testing (including year-end cut off testing) by selecting samples of revenue transactions recorded during the year (and before and after the financial year-end) by verifying the underlying documents and approval procedure. - Comparing the historical trend of discount, rebate and waiver. - Assessing the manual journal posted to revenue. - Considered the adequacy of the Company's disclosure in respect of revenue.
2.	<u>Evaluation of Provision and Contingent Liabilities:</u> As at the Balance Sheet date, the Company has significant open litigation and other contingent liabilities as disclosed in note no. 39. The assessment of the existence of the present legal or constructive obligation, analysis of the probability or possibility of the related payment require the management to make judgement and estimates in relation to the issues of each matter. The management with the help of opinion and advise of its experts have made such judgements and estimates relating to the likelihood of an obligation arising and whether there is a need to recognize a provision or disclose a contingent liability. Due to the inherent complexity and level of judgement relating to recognition, valuation and presentation of provision and contingent liabilities, this is considered a key audit matter.	<u>Our Audit procedure included:</u> - We have reviewed and held discussions with the management to understand their processes to identify new possible obligations and changes in existing obligations for compliance with the requirements of Ind AS 37 on Provisions, Contingent Liabilities and Contingent Assets. - We have also discussed with the management significant changes from prior periods and obtained a detailed understanding of these items and assumptions applied. We have held meetings with the management and key legal personnel responsible for handling legal matters. In addition, we have reviewed: - the details of the proceedings before the relevant authorities including communication from the advocates / experts; legal advises / opinions obtained by the management, if any, from experts in the field of law on the legal cases; status of each of the material matters as on the date of the balance sheet. - We have assessed the appropriateness of provisioning based on assumptions made by the management and presentation of the significant contingent liabilities in the financial statements.

4. Information other than the Financial Statements and Auditor's Report Thereon

The Company's Management and Resolution Professional are responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Report, Management Discussion and Analysis, Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. The other information comprising the above documents is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

5. Responsibilities of Management's for the Financial Statements

The Company has been admitted into CIRP in terms of the provisions of the IBC vide Hon'ble National Company Law Tribunal, Mumbai Bench ("NCLT") order dated September 02,

2025. The Resolution Professional has been appointed as per the provisions of IBC, the powers of Board of Directors stand suspended as per provisions of IBC and such powers stand entrusted to and being exercised by the RP so appointed. The management & operations of the Company are being managed by RP.

The Management/Resolution Professional of the Company is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income/(loss), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management/RP are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The RP and management are also responsible for overseeing the Company's financial reporting process.

6. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i)

of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure-A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) we have sought and obtained, *except for the matter described in the Basis for qualified Opinion in paragraph 2 above*, all the information and explanations which

to the best of our knowledge and belief were necessary for the purposes of our audit;

- b) *except for the matter described in the Basis for qualified Opinion in paragraph 2 above*, in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- e) The matters described in basis for qualified opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the Company;
- f) We have not received any written representations from the suspended directors of the Company as at March 31, 2026. Further, based on the records and information available to us, the Company has defaulted in the redemption of debentures and payment of interest thereon. Accordingly, the directors of the Company are disqualified from being re-appointed as directors in terms of the provisions of Section 164(2) of the Companies Act, 2013.
- g) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B";
- h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanation given to us, the managerial remuneration paid / provided by the Company to its directors during the year, prior to commencement of CIRP, is in accordance with the provisions of section 197 read with Schedule V of the Act;
- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 39 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts, which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a.) The Management has represented that, to the best of its knowledge and belief, as

disclosed in the notes to accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b.) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the notes to accounts, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year.
- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE "A" TO THE INDEPENDENT AUDITORS' REPORT

Annexure referred to in paragraph 7 (1) of Report on Other Legal and Regulatory Requirements of the Independent Auditors' Report of even date to the Members of **Quadrant Televentures Limited** on the financial statements for the year ended March 31, 2026, we report that;

- I.
 - (a). (A.) The Company is maintaining proper records showing full particulars, including quantitative details and situations of its Property, Plant and Equipment.
 - (B) The Company is maintaining proper records showing full particulars of intangible assets.
 - (b) Property, Plant and Equipment other than Assets held for sale have been physically verified by the management during the year and there is a regular program of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets and as informed, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanation given by the management, the title deeds of all the immovable properties were held in the name of the Company. Further, the lease agreements where the Company is a lessee were duly executed in favour of the Company.
 - (d) The Company has not revalued any of its Property, Plant and Equipment (including right of-use assets) and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- II.
 - (a) As per the information furnished, the management at reasonable intervals during the period has physically verified the Inventories. In our opinion, having regard to the nature and location of stocks, the frequency of physical verification is reasonable. No discrepancies were noticed on verification between the physical inventory and the book records that were more than 10% in the aggregate of each class of inventory.
 - (b) The Company has not been sanctioned working capital limits in excess of Rs. 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- III. According to the information and explanations given to us and records examined by us, the Company has not granted loans, made investments, provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnership or any other parties during the year. Therefore, the reporting under clause 3(iii)(a) to 3(iii)(f) of the Order are not applicable to the Company.
- IV. In our opinion and according to the information and explanations given to us, the Company has, in respect of loans, investments, guarantees, and security, complied with the provisions of section 185 and 186 of the Companies Act, 2013, wherever applicable.
- V. According to the information and explanation given to us, the Company has not accepted any deposits within the meaning of the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under. Accordingly, the reporting under clause 3(v) of the Order is not applicable to the Company.
- VI. We have reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, related to Telecommunication Services, and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of records with a view to determine whether they are accurate or complete.
- VII.
 - (a) According to the information and explanations given to us and records examined by us, in our opinion the Company has generally been regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Custom Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.

According to the information and explanations given to us, there are no undisputed amounts payable in respect of such statutory dues at the year end, for a period of more than six months from the date they became payable.
 - (b) According to the information and explanation given to us and records examined by us, there are no dues of income tax, goods and service tax, custom duty & cess or any other statutory dues which have not been deposited on account of any dispute.
- VIII. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- IX.
 - (a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has defaulted in repayment of loans (including accrued interest on default amount) to bank/debenture holder s as follows:

Nature of borrowings including debt securities	Amount Outstanding as at March 31, 2026 and not paid till date	Amount of Default as at March 31, 2026		Delay/Default (In days)

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

To the Members of

Quadrant Televentures Limited

We have audited the internal financial controls over financial reporting of **Quadrant Televentures Limited** (“the Company”) as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management and Resolution Professional is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the “Basis for Qualified Opinion” paragraph, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended March 31, 2026

1. BACKGROUND

(a) Corporate Information

Quadrant Televentures Limited (Formerly known as HFCL Infotel Limited) ('the Company' or 'QTL'), Unified Access Services Licensee for Punjab Telecom Circle (including Chandigarh and Panchkula), is providing complete telecommunication services, which includes voice telephony, internet services, broadband data services and a wide range of value added services viz. Centrex, Leased Lines, VPNs, Voicemail, etc. The services were commercially launched in October 2000. As at 31.03.2026, the Company had a total subscriber base of 3.31 Lakh.

The Company was incorporated on August 2, 1946 with the name of The Investment Trust of India Limited (ITI) which was subsequently changed to HFCL Infotel Limited on May 12, 2003. This was done pursuant to a Scheme of amalgamation (the Scheme), approved by the Hon'ble High Court of the Punjab and Haryana at Chandigarh and Hon'ble High Court of the State of Tamil Nadu at Chennai on March 6, 2003 and March 20, 2003, respectively, whereby the *erstwhile* HFCL Infotel Limited (name earlier allotted to the transferor Company) ('*erstwhile* HFCL Infotel') was merged with the Company with effect from September 1, 2002. As per the Scheme envisaged, the Company's existing business of hire purchase, leasing and securities trading was transferred by way of slump sales to its wholly owned subsidiary, Rajam Finance & Investments Company (India) Limited ('Rajam Finance') with effect from September 1, 2002. Rajam Finance was renamed as The Investment Trust of India Limited with effect from June 17, 2003 and it ceased to be the subsidiary of the Company with effect from September 30, 2003, due to allotment of fresh equity by Rajam Finance to other investors.

The Company, during the year ended March 31, 2004, surrendered its license granted by Reserve Bank of India ('RBI') to carry out NBFC business. RBI confirmed the cancellation of the NBFC license as per their letter dated May 24, 2004.

On September 24, 2010, the name of Company was changed from HFCL Infotel Limited to Quadrant Televentures Limited.

The Company had surrender the CDMA Spectrum on May 30, 2016 and Microwave Spectrum for CDMA Services for Punjab Service Area and had shut down its GSM Services w.e.f. February 15/2017. At present, the Company is running its Wireline and ISP Services in Punjab Circle (including Chandigarh and Panchkula).

The Company's voice calling services (Wireline) was covered under UASL License and the same was valid upto 29th September, 2017. To continue Voice Calling Services (Wireline) for Punjab Circle, the Company had filed an application with DoT for migration of existing UASL Licence under UL guidelines. Application has been approved by DoT in September, 2017 and same is now valid till the period of existing ISP licence i.e. January 2035.

(b) License Fees

The Company has obtained license for Basic Telephony Service for the Punjab Telecom Circle (including Chandigarh and Panchkula) by way of amalgamation of the *erstwhile* HFCL Infotel with the Company. *Erstwhile* HFCL Infotel had obtained this license under fixed license fee regime under National Telecom Policy ('NTP') 1994, valid for a period of 20 years from the effective date, and subsequently migrated from the fixed license fee regime to revenue sharing regime upon implementation of NTP 1999. Further to the Telecom Regulatory Authority of India ('TRAI') recommendations of October 27, 2003 and the Department of Telecommunications ('DoT') guidelines on Unified Access (Basic & Cellular) Services License ('UASL') dated November 11, 2003, the Company migrated its license to the UASL regime with effect from November 14, 2003.

A fresh License Agreement was signed on May 31, 2004. Pursuant to this migration, the Company became additionally entitled to provide full mobility services. Quadrant Televentures Limited also entered into Unified Licence Agreement No. 821-125/2014-DS dated January 6, 2015, and amendments thereto, with DoT to establish, maintain and operate internet services on all India basis (PAN India).

As per the new ISP License agreement no. 821-125/2014-DS dated January 6, 2015, the revenue share from ISP services was set at 8 per cent of AGR and is required to be paid on income from Internet revenue except revenue from pure internet service ('AGR' under Internet Service License).

2. RECENT PRONOUNCEMENT

2.A. NEW STANDARDS/ AMENDMENTS AND OTHER CHANGES EFFECTIVE FROM APRIL 1, 2025 OR THEREAFTER

The Ministry of Corporate Affairs ("MCA"), vide its notifications, has amended certain Indian Accounting Standards (Ind AS) under the Companies (Indian Accounting Standards) Rules, 2015. The amendments applicable from April 1, 2025 are as follows:

- **Vide Notification G.S.R. 291(E) dated 7th May 2025, amendments have been made to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates.**

The amendment relates to situations involving lack of exchangeability in exchange rate and provide clarification on determining when a currency is exchangeable into another currency and how a company estimates a spot rate when a currency lacks exchangeability. The impact of the amendment on the Company's Financial Statements is not material.

- **Vide Notification G.S.R. 549(E) dated 13th August 2025, amendments have been made to following Indian Accounting Standards effective from 1st April 2025:**

Ind AS 1 - Presentation of Financial Statements

The amendments relate to the classification of liabilities as current or non-current and require enhanced disclosures regarding covenants. The impact of the amendment on the Company's Financial Statements is not material.

Ind AS 12 - Income Taxes

The amendment relates to Pillar Two Model Rules published by the Organisation for Economic Co-operation and Development. As of the reporting date Pillar Two legislations has not been enacted in India.

Ind AS 7 - Statement of Cash Flows and Ind AS 107 Financial Instruments Disclosures

These amendments introduce additional disclosure requirements regarding supplier finance arrangements. The necessary disclosure as per this amendment has been included in the Company's Financial Statements.

2.B. NEW STANDARDS/ AMENDMENTS ISSUED BUT NOT YET EFFECTIVE

Ministry of Corporate Affairs ("MCA") through its notification amends Companies (Indian Accounting Standards) Rules, 2015 to notify new standards or amend the existing standards. During the year, MCA notified amendment in Ind AS 1 - Presentation of Financial Statements, relating to classification of liabilities with covenants. The amendment is effective for annual reporting periods beginning on or after April 1, 2026, and shall be applied retrospectively in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors.

3. SUMMARY OF MATERIAL ACCOUNTING POLICIES**3.1 Basis of preparation of Financial Statements****3.1.1. Compliance with Ind AS**

These financial statements ('financial statements') have been prepared in accordance with the Indian Accounting Standard ('Ind AS') notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules as amended from time to time.

The accounting policies, as set out in the following paragraphs of this note, have been consistently applied, by the Company, to all the periods presented in the said financial statements. The preparation of the said financial statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Company's accounting policies. The areas where estimates are significant to the financial statements, or areas involving a higher degree of judgement or complexity, are disclosed in Note 36.

The financial statements are based on the classification provisions contained in Ind AS 1, 'Presentation of Financial Statements' and division II of schedule III of the Companies Act 2013.

Further, for the purpose of clarity, various items are aggregated in the statement of profit and loss and balance sheet. Nonetheless, these items are dis-aggregated separately in the notes to the financial statements, where applicable or required. All the amounts included in the financial statements have been rounded off to the nearest Lakhs, as required by General Instructions for preparation of Financial Statements in Division II of Schedule III to the Companies Act, 2013, except per share data and unless stated otherwise.

3.1.2. Historical Cost Convention

The financial statements have been prepared on the accrual and going concern basis, and the historical cost convention except where the Ind AS requires a different accounting treatment. The principal variations from the historical cost convention relate to financial instruments classified as fair value for the followings:

- certain financial assets and liabilities and contingent consideration that is measured at fair value;
- assets held for sale measured at fair value less cost to sell;
- defined benefit plans for plan assets measured at fair value; and

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

3.1.3. Use of estimates and judgements

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and judgements that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

3.2. Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification. An asset is treated as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle, or
- b) Held primarily for the purpose of trading, or
- c) Expected to be realised within twelve months after the reporting period other than for (a) above, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- a) It is expected to be settled in normal operating cycle, or
- b) It is held primarily for the purpose of trading, or
- c) It is due to be settled within twelve months after the reporting period other than for (a) above, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

3.3. Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each Balance Sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The Company categorizes assets and liabilities measured at fair value into one of three levels as follows:

- Level 1 – Quoted (unadjusted): This hierarchy includes financial instruments measured using quoted prices.
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 - They are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

3.4. Non-Current Assets Held for Sale

Non-Current Assets are classified as assets-held-for sale when their carrying amount is to be recovered principally through a sale transaction and a sale is considered highly probable. The sale is considered highly probable only when the asset is available for immediate sale in its present condition, it is unlikely that the sale will be withdrawn and sale is expected within one year from the date of the classification. Assets classified as held for sale are stated at the lower of carrying amount and fair value less costs to sell.

Assets classified as held for sale are presented separately in the balance sheet.

Loss is recognised for any initial or subsequent written down value of the asset to fair value less costs to sell. A gain is recognised for any subsequent increases in fair value less costs to sell of an asset, but not in excess of any cumulative loss previously recognised.

3.5. Property Plant and Equipment

An item is recognised as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. PPE are stated at actual cost less accumulated depreciation and impairment loss, if any. Actual cost is inclusive of freight, installation cost, duties, taxes and other incidental expenses for bringing the asset to its working conditions for its intended use (net of tax credit, if any) and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and borrowing costs for qualifying assets.

Property, Plant and Equipment and intangible assets are not depreciated or amortized once classified as held for sale.

Significant Parts of an item of PPE (including major inspections) having different useful lives & material value or other factors are accounted for as separate components. All other repairs and maintenance costs are recognized in the statement of profit and loss as incurred.

Depreciation of these PPE commences when the assets are ready for their intended use. The estimated useful lives and residual values are reviewed on an annual basis and if necessary, changes in estimates are accounted for prospectively. Depreciation on subsequent expenditure on PPE arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

Depreciation is provided pro-rata to the period of use on the straight-line method based on the estimated useful life of the assets. The useful life of property, plant and equipment are as follows: -

Asset Class	Useful Life
Leasehold Land	Over the lease term
Buildings - Office Building - Others	30 years 60 years
Leasehold Improvement	10 years or over the lease term, whichever is lower
Network Equipment (other than batteries) Batteries (a)	9.67 years 5 years
Testing Equipment (included in Network Equipment) (a)	5 years

Asset Class	Useful Life
Optical Fibre Cable and Copper Cable (a)	15 years
Computers	3 years
Software	5 years
Office Equipment	5 years
Furniture and Fixture	10 years, except in case issued to employees, where asset is depreciated in 5 years
Vehicles - Motor Cars (a)	4 years
Fixed Assets costing less than Rs 5,000	Fully depreciated when they are ready for use.

Note:

- For these classes of assets based on internal assessment and technical evaluation, the management believes that the useful lives as given above best represent the period over which the Management expects to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of Companies Act 2013.
- Depreciation on the amount capitalized on up-gradation of the existing assets is provided over the balance life of the original asset.
- An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

3.6. Intangible Assets

All expenditure on intangible items are expensed as incurred unless it qualifies as intangible assets. The carrying value of intangible assets is assessed for recoverability by reference to the estimated future discounted net cash flows that are expected to be generated by the asset. Where this assessment indicates a deficit, the assets are written down to the market value or fair value as computed above.

Recognition of Intangible Assets**a. Computer Software**

Purchase of computer software used for the purpose of operations is capitalized. However, any expenses on software support, maintenance, upgrade etc. payable periodically is charged to the Statement of Profit & Loss.

b. Telecom License & Internet Service Provider License

Acquired licenses and spectrum are amortised commencing from the date when the related network is available for intended use in the relevant jurisdiction.

The revenue-share based fee on licenses / spectrum is charged to the statement of profit and loss in the period such cost is incurred.

- De-Recognition of Intangible Assets**

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognized in the Statement of Profit and Loss when the asset is derecognized.

3.7. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The financial instruments are recognised in the balance sheet when the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial instruments at initial recognition.

3.7.1. Financial Assets***Initial Recognition and Measurement***

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

The subsequent measurement of the non-derivative financial assets depends on their classification as follows:

i. Financial Assets Measured at Amortised Cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost using the effective interest rate ('EIR') method (if the impact of discounting / any transaction costs is significant). Interest income from these financial assets is included in finance income.

ii. Financial Assets at Fair Value through Profit or Loss ('FVTPL')

All financial assets that do not meet the criteria for amortised cost are measured at fair value through profit or loss. Interest (basis EIR method) income from financial assets at fair value through profit or loss is recognised in the statement of profit and loss within finance income/ finance costs separately from the other gains/ losses arising from changes in the fair value.

Equity Investments

All equity investments are measured at fair value and for equity instruments, the Company may make an irrevocable

election to present in Other Comprehensive Income (OCI) with subsequent changes in the fair value. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. This amount is not recycled from OCI to Profit & Loss account, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Profit & Loss account.

De-Recognition

A financial asset is de-recognized only when

- The Company has transferred the rights to receive cash flows from the financial asset, or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognized.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Impairment of Financial Assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. In determining the allowances for doubtful trade receivables, the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix considers historical credit loss experience and is adjusted for forward looking information. For all other financial assets, expected credit losses are measured at an amount equal to the 12-months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L).

3.7.2 Financial Liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial Recognition and Measurement

Financial Liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Subsequent Measurement

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss is measured at fair value with all changes in fair value recognised in the statement of profit and loss.

Trade and Other Payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial period which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortised cost using the effective interest method.

Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

De-Recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

3.8. Inventory

Inventory is valued at cost or net realisable value whichever is low. Cost is calculated on FIFO basis.

3.9. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying asset are capitalized as part of cost of such asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds.

3.10. Impairment of Non-Financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication

exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use.

Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are considered. If no such transactions can be identified, an appropriate valuation model is used. Impairment losses of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss.

A previously recognized impairment loss (except for goodwill) is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited to the carrying amount of the asset.

3.11. License Fees

License Entry Fee

The License Entry Fee has been recognised as an intangible asset and is amortised equally over the remaining period of licence from the date of commencement of commercial operations. License entry fees includes interest on funding of license entry fees, foreign exchange fluctuations on the loan taken upto the date of commencement of commercial operations.

The carrying value of license entry fees are assessed for recoverability by reference to the estimated future discounted net cash flows that are expected to be generated by the asset. Where this assessment indicates a deficit, the assets are written down to the market value or fair value as computed above.

Revenue Sharing Fee

Revenue Sharing Fee is currently computed at the prescribed rate of Adjusted Gross Revenue ('AGR') which is expensed off in the Statement of Profit and Loss in the year in which the related income from providing Unified Access Services and Internet Services are recognised.

3.12. Revenue Recognition

The company recognizes revenue in accordance with Ind- AS 115. Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration that the Company expects to receive in exchange for those products or services.

Revenues in excess of invoicing are classified as contract assets (which may also refer as unbilled revenue) while invoicing in excess of revenues are classified as contract liabilities (which may also refer to as unearned revenues).

The Company presents revenues net of indirect taxes in its Statement of Profit and loss.

The specific recognition criteria from various stream of revenue is described below:

a. Service Revenue

Service Revenue mainly pertains to usage subscription and activation charges for voice, data, messaging and value added services. It also includes revenue towards interconnection charges for usage of the Company's network by other operators for voice, data, messaging and signalling services.

Revenue from Unified Access services are recognised on services rendered and is net of rebates, discounts and Goods & Services Tax. Unbilled revenues resulting from Unified Access Services provided from the billing cycle date to the end of each month are estimated and recorded. Revenues from Unified Access Services rendered through prepaid cards are recognised based on actual usage by the customers. Billings made but not expected to be collected, if any, are estimated by the management and not recognised as revenues.

Revenue on account of internet services and revenue from infrastructure services are recognised as services are rendered, in accordance with the terms of the related contracts.

The billing and collection in excess of revenue recognised is presented as deferred revenue in the balance sheet whereas unbilled revenue is recognised within other current financial assets.

b. Equipment Sales

Equipment sales mainly pertain to sale of telecommunication equipment and related accessories. Such transactions are recognised when the significant risks and rewards of ownership are transferred to the customer. However, in case of equipment sale forming part of multiple-element revenue arrangements which is not separately identifiable component, revenue is recognised over the customer relationship period.

c. Capacity Swaps

The exchange of network capacity is recognised at fair value unless the transaction lacks commercial substance or the fair value of neither the capacity received nor the capacity given is reliably measurable.

d. Interest Income

All debt instruments are measured either at amortized cost or at fair value through Other Comprehensive Income and interest income is recorded using the effective interest rate (EIR).

e. Rental Income

Rental income arising from operating leases or investment properties is accounted for on a straight-line basis over the lease terms and is included in other non-operating income in the statement of profit and loss.

f. Insurance Claims

Insurance claims are accounted for as and when admitted by the concerned authority.

3.13. Foreign Currency Transactions

The functional currency of the Company is Indian Rupees, which represents the currency of the economic environment in which it operates.

Transactions in currencies other than the Company's functional currency are recognized at the rates of exchange prevailing at the dates of the transactions. Monetary items denominated in foreign currency at the year end and not covered under forward exchange contracts are translated at the functional currency spot rate of exchange at the reporting date.

3.14. Employee Benefits

Short Term Employee Benefits: -

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Long-Term Employee Benefits

Compensated expenses which are not expected to occur within twelve months after the end of period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date.

Post-Employment Obligations

i. Defined Contribution Plans

Provident Fund and Employees' State Insurance Schemes

All employees of the Company are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both the employee and the employer make monthly contributions to the plan at a predetermined rate (presently 12%) of the employee's basic salary. These contributions are made to the fund administered and managed by the Government of India. In addition, some employees of the Company are covered under the employees' state insurance schemes, which are also defined contribution schemes recognized and administered by the Government of India.

The Company's contributions to both these schemes are expensed in the Statement of Profit and Loss. The Company has no further obligations under these plans beyond its monthly contributions.

ii. Defined Benefit Plans

Gratuity

The Company provides for gratuity obligations through a defined benefit retirement plan (the 'Gratuity Plan') covering all employees. The Gratuity Plan provides a lump sum payment to vested employees at retirement or termination of employment based on the respective employee salary and years of employment with the Company. The Company provides for the Gratuity Plan based on actuarial valuations in accordance with Indian Accounting Standard 19 (revised), "Employee Benefits". The Company makes annual contributions to the LIC for the Gratuity Plan in respect of employees. The present value of obligation under gratuity is determined based on actuarial valuation using Project Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Defined retirement benefit plans comprising of gratuity, un-availed leave, post-retirement medical benefits and other terminal benefits, are recognized based on the present value of defined benefit obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

Leave Encashment

The Company has provided for the liability at period end on account of un-availed earned leave as per the actuarial valuation as per the Projected Unit Credit Method.

iii. Actuarial gains and losses are recognized in OCI as and when incurred.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest as defined above), are recognized in other comprehensive income except those included in cost of assets as permitted in the period in which they occur and are not subsequently reclassified to profit or loss.

The retirement benefit obligation recognized in the Financial Statements represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

Termination Benefits

Termination benefits are recognized as an expense in the period in which they are incurred.

3.15. Taxation

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses, if any.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

3.16. Leases**As a lessee**

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- i. the contract involves the use of an identified asset
- ii. the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- iii. the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term

and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as an expense on a straight-line basis over the lease term.

3.17. Earning Per Share ('EPS')

The Company presents the Basic and Diluted EPS data. Basic Earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

3.18. Cash & Cash Equivalents

Cash comprises cash in hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.20. Prior Period Items

The Company has adopted following materiality threshold limits in the recognition of Prior period expenses/incomes:

No.	Threshold Items	Threshold Value
i.	Identification based on individual limits	Rs. 10 lakhs
ii.	Restatement based on overall limits	1% of Total Revenue of Previous FY

3.21. Provision, Contingent Liabilities and Contingent Assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

ARO are recognised for those operating lease arrangements where the Company has an obligation at the end of the lease period to restore the leased premises in a condition similar to inception of lease. ARO are provided at the present value of expected costs to settle the obligation and are recognised as part of the cost of that particular asset. The estimated future costs of decommissioning are reviewed annually and any changes in the estimated future costs or in the discount rate applied are adjusted from the cost of the asset.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

*6,500,000, 7.5 percent CRPS were allotted on October 16, 2004, pursuant to the CDR Scheme, where under the specified part of the amount due to CRPS Holder by the Company was converted into 7.5 percent CRPS redeemable after the repayment of Rupee Term Loan (in Financial Year 2016-17). As per the CDR Scheme, prior approval of the lenders would be required to declare dividend on 7.5 percent CRPS and all the voting rights attached to the CRPS to be assigned in favour of the term lenders. On June 24, 2005 as per revised CDR Scheme, the dividend percentage was reduced to 2 percent from 7.5 percent with effect from date of issuance of CRPS. The CDR dated August 13, 2009 does not stipulate any reference to aforesaid CRPS. Accordingly the CRPS shall be redeemable after the full settlement of dues to term lenders i.e. in Financial Year 2024-25 as against earlier stipulated repayment in Financial Year 2016-17. (with reference to CDR dated June 24, 2005).

36 Critical accounting estimates, assumptions and judgments

The estimates and judgements used in the preparation of the said financial statements are continuously evaluated by the Company, and are based on historical experience and various other assumptions and factors (including expectations of future events), that the Company believes to be reasonable under the existing circumstances. The said estimates and judgements are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

Although the Company regularly assesses these estimates, actual results could differ materially from these estimates – even if the assumptions under-lying such estimates were reasonable when made, if these results differ from historical experience or other assumptions do not turn out to be substantially accurate. The changes in estimates are recognised in the financial statements in the period in which they become known.

The areas involving critical estimates, assumptions or judgments are:

1. Useful lives of property, plant and equipments. **Note No. 3.5 & 4**
2. Measurement of Lease liabilities and Right of Use Asset. **Note No. 3.16 & 5**

- a During the year ended March 31, 2007, Bharat Sanchar Nigam Limited ('BSNL') has raised supplementary bill dated August 10, 2006 for Rs. 1,676.14 Lakh towards Inter-connect Usage Charges ('IUC') and Access Deficit Charges ('ADC') for the period November 14, 2004 to August 31, 2005 on the Company. BSNL further raised invoices to the tune of Rs. 993.47 Lakh on similar grounds for the period September 1, 2005 to February 28, 2006. These charges are on account of unilateral declaration of the Company's Fixed Wireless Terminals (FWT) and Fixed Wireless Phone (FWPs) services as Limited Mobility (LM) Services by BSNL. The Company has submitted its reply to BSNL on August 23, 2006 asking for the calculation/basis for the additional amount raised towards IUC and ADC by BSNL for Rs. 1,676.14 Lakh. Subsequently, BSNL issued a disconnection notice on August 26, 2006 which required the payment of Rs. 2082.37 Lakh (including Rs. 1,676.14 Lakh). The Company has submitted details to BSNL for payments already made for Rs. 406.22 Lakh. The Company has approached Hon'ble TDSAT on the subject matter and a stay order was granted on Company's petition no 232 of 2006 against the disconnection notice on September 21, 2006. BSNL Jalandhar Office subsequently raised a supplementary bill dated March 20, 2007 for Rs. 52.07 Lakh, to which the Company has submitted its reply on March 23, 2007 intimating that the matter being sub-judice and pending decision by the Hon'ble TDSAT, no coercive action be taken against the Company. The hearing on the matter has been completed and the Hon'ble TDSAT has pronounced the judgment on May 21, 2010 in Company's favour and has directed that BSNL and the Company should exchange relevant information and reconcile the differences. BSNL went for appeal in Hon'ble Supreme Court vide

CA No-7435 of 2010. The matter is yet to be listed in SC for hearing. In the absence of information from BSNL, the Company is not in a position to determine the liability with respect to this matter. The Company, based on expert legal opinion, believes that there would be no financial liability against such bills total amounting to Rs. 2,721.68 Lakh and accordingly, has not recorded any liability towards the IUC and ADC supplementary bills during the period ended March 31, 2026, however the same is considered as contingent liability.

- b The Company was in receipt of a demand of Rs. 4,331.58 Lakh from Bharat Sanchar Nigam Limited ('BSNL') on December 20, 2008 on account of unilateral revision of Access Deficit Charges (ADC) vide its letter dated April 28, 2001 for the period from June 2001 to May 2003, in contravention of the Interconnect Agreement and TRAI Regulations. The Company, Association of Unified Service Providers of India 'AUSPI' (erstwhile Association of Basic Telephone Operators 'ABTO') and other Basic Service Operators contested aforesaid revision in the rates of access charges before Telecom Dispute Settlement Appellate Tribunal ('TDSAT'). TDSAT vide its reasoned and detailed judgement dated April 27, 2005 allowed the refund claims and struck down the unilateral revision in the rates of access charges by BSNL and held that Telecom Regulatory Authority of India ('TRAI') is the final authority for fixing of access charges and access charges would be payable as rates prescribed by the TRAI and as per the Interconnect agreements. BSNL preferred an appeal in Hon'ble Supreme Court against the order of TDSAT and an interim stay was granted on October 19, 2006. Therefore aggrieved by such unilateral action on the part of BSNL by raising aforesaid demand and disturbing the status-quo, applications were moved by the Company, AUSPI and other Operators in the Hon'ble Supreme Court vide C.A No.5834-5836 of 2005 that was listed for hearing on February 9, 2009 and Hon'ble Supreme Court passed an order clarifying its previous order of October 19, 2006 and stayed the refunds claim against the BSNL there by upholding the TDSAT order dated April 27, 2005 whereby BSNL is refrained from raising the access charges demand. The BSNL went for appeal in Hon'ble Supreme Court vide C.A No 5834-5836 of 2005 BSNL Vs ABTO & Others. The matter was Tagged with CA-5253 of 2010 to decide the preliminary objection raised by TRAI on the TDSAT's jurisdiction. Next date of hearing is awaited. The Company based on the legal opinion believes that there would be no financial liability against this demand of Rs. 4,331.58 Lakh and has accordingly not recorded any liability towards access charges during the year ended March 31, 2026, however the same is considered as contingent liability.
- c The Company was in receipt of demand of Rs. 70.00 Lakh from Department of Telecommunications ('DoT'), Licensing Group (Access Services) vide their letter dated October 21, 2009 for issuance of SIM cards on fake ID in Punjab Service Area, where in the Licensee was required to ensure adequate verification of each and every customer before enrolling him as a subscriber. The Company has replied to DoT vide letter dated November 14, 2009 that the levy of penalty imposed by DoT was based on verification done by an agency other than the DoT - TERM Cell and the exercise was carried out suo moto and in complete disregard of the established procedures and guidelines laid by DoT. Accordingly the Company has requested DoT to have this validation done by the DoT - TERM Cell. The Company believes that there would be no financial liability against this demand of Rs. 70.00 Lakh and has accordingly not recorded any liability towards penalty during the year ended March 31, 2026, however the same is considered as contingent liability.
- d As per The Telecommunication Interconnect Usage Charges Regulations 2003, intra circle carriage charges payable per minute for all intra circle calls irrespective of the distance between originating and terminating points. However, Bharat Sanchar Nigam Limited ('BSNL') was charging additional amounts based on distance for the period October 2007 to March 2009 which was against the Telecommunication Interconnect Usage Charges Regulations 2003 of TRAI. The matter was raised to Hon'ble TDSAT by service providers to which Hon'ble TDSAT vide its order dated May 21, 2010 upheld the demand of BSNL. The liability of the Company on the basis of BSNL demand is amounting to Rs. 41.11 Lakh. Subsequently TRAI appealed against the order of TDSAT in the Hon'ble Supreme Court vide CA No 281 of 2011. The matter is sub-judice and the final decision of the Hon'ble Supreme Court in the matter is still awaited. However the Company has considered the demand of Rs. 41.11 Lakh as contingent liability as at March 31, 2026.
- e The DoT (Term Cell) Punjab has issued another Show Cause Notice to the Company making a demand for Rs. 3,235.00 Lakh. DOT vide letter number 8-8/EMR-QTL/TERM-PB/2013/15C dated December 30, 2013, wherein the TERM Cell, Punjab has imposed a penalty for alleged non-compliance for Emission Magnetic Frequency ("EMF") radiation norms (share site) with respect to 647 Base Transceiver Stations ('BTS') as per list attached with said letter, in terms of the Unified Access Services ('UAS') License granted to the company. The Company has since submitted its response to the TERM Cell vide letter dated January 8, 2014, in reply to above, the Term Cell had issued an amended Show Cause Notice vide letter no. 8-8/EMR-QTL/TERM-PB/2013/24C dated August 7, 2014 superseding its earlier Show Cause Notice and revising the amount of penalty to Rs. 2,670.00 Lakhs for 534 BTS sites (in place of earlier show cause demanding Rs. 3,235.00 Lakh for 647 BTS sites). The Company filed a case in TDSAT and the matter is listed vide Petition No. 423 of 2014 and pending for hearing but the amount of penalty amounting to Rs. 2,670.00 Lakh has been considered as contingent liability as at March 31, 2026.
- f The Company had received a Show Cause Notice/Demand Letter dated 11-08-2015 pertaining to the SAF non-compliance of about 5317 SAFs for the year 2013 with CAF Penalty of Rs. 1,846.25 Lakh. We have got examined all the SAFs pointed out by DoT-TERM Cell and the number of non-compliant SAFs reduced to 4564. In the meantime we have represented the case with DDG (TERM) to re-examine all the referred cases. The non-compliances had been occurred due to one of the distributor in Punjab who manipulated the large numbers of ID which were beyond the control of operators. In the present case, all the SAFs of one of the distributors of all the operators in Punjab are non-complied due to the ID problem. The matter is being re-examined by TERM and other departments to assess as how to protect the TSPs interest in case of such non-compliance is done by the Distributors. Industry is working on it by taking appropriate checking mechanisms in place to avoid such non-compliance happening henceforth in any manner. Also, industry is taking appropriate legal action against the defaulting distributors without affecting the normal business of the Company. DOT-Term Cell reduced the CAF penalty to Rs. 1,542.25 Lakh for 3956 no. of CAFs in default. So the Company has filed petition in TDSAT vide petition No.13 of 2016 which is pending for final arguments and the Company has considered the same as contingent liability as at March 31, 2026.

Petition has been filed by QTL challenging the Demand Notice bearing no. 1-5/2016-AS-IV dated 24.06.2020 ('Notice') issued by Department of Telecommunications ('DoT') vide which Company has been directed to pay INR 700.00 Lakh towards imposition of Liquidated Damages ('LD') for default in compliance of 1st Phase Roll-out obligations in respect of Basic Service License agreement CDMA. Company has filed Telecom Petition No. 37 of 2020 before Hon'ble TDSAT against impugned demand dated 24.06.2020 imposing Liquidated Damages of INR 700.00 Lakh. The petition was listed before Hon'ble TDSAT for hearing on 13.07.2020 and interim stay was granted against the impugned demand. The matter is in due course. Interim Order shall continue till the next date of hearing. The Company believes that there would be no financial liability against this demand of Rs. 700.00 Lakh and has accordingly not recorded any liability towards penalty during the year ended March 31, 2026 but the same has been considered as contingent liability.
- h The Company was in receipt of demand notice for Rs. 700.00 Lakh by Show Cause Notice dated 13th June, 2016 from Department of Telecommunication ('DoT') for Levy of Liquidated Damages (LD) on provisional Basis for default in Compliance of first phase as well as second phase of rollout obligation in respect of dual Technology (Second) spectrum (GSM). AS per NTP -99 was amended introducing two new categories of License and UASL 2007. Principle approval to use GSM Technology (Second Technology) in addition to CDMA technology under the existing UASL (S) was granted to the licensee vide letter No.20-100/2007/Spectrum/AS-I/3 dated 18.10.2007. The Company shall meet the roll-out obligation and other stipulation of the UAS license. As the Company had not fulfilled the first phase Roll out obligation. As per directed to show-cause notice within 21 days from the date of issue of this notice liquidated damages amounting to total Rs. 700.00 Lakh on provisional basis. Company filed reply letter against show cause notice on legal ground on 31.08.2016 for personal hearing which has been done on 30.06.2019 & 05.11.2019 at DoT HQ. Thereafter DoT vide letter dated 28.04.2020 has issued Demand notice of 7 Crores (Seven Crores), so the Company has filed Petition No. 11 of 2020 before Hon'ble TDSAT against impugned demand letter dated 28.04.2020 and Hon'ble TDSAT vide its order dated 14.05.2020 has grant interim stay against the impugned demand letter dated 28-4-2020 and Matter connected with other matter and last listed on 20-August-2020 Next date awaited for arguments, connected matter was listed on 24-May-2022, pleadings and evidences are complete in the matter and the same will be listed before the Hon'ble Bench for hearing in due course. The Company believes that there would be no financial liability against this demand of Rs. 700.00 Lakh and has accordingly not recorded any liability towards penalty during the year ended March 31, 2026 but the same has been considered as contingent liability.
- i The company had received a demand of Rs. 759.88 Lakh from a Department of Telecommunications (DOT) vide letter no. 17-41/2018/LFA/Quadrant dated 31.03.2021 on account of Access Service License Fee dues for F.Y. 2017-18, thereafter, a revised demand notice no. 17-41/2018/LFA-Quadrant dated 04.07.2023 for Rs 634.78 lakh was received, subsequently the demand notice was revised again vide no. 17-41/2018/LFA-Quadrant dated 08.01.2024 for Rs 482.19 lakh.
- The company had received a demand of Rs. 434.14 Lakh from a Department of Telecommunications (DOT) vide letter no. 17-9/2020/LFA/QTL dated 06.01.2022 on account of Access Service License Fee dues for F.Y. 2018-19, thereafter, a revised demand notice no. 17-9/2020/LFA-QTL dated 10.07.2023 for Rs 352.31 Lakh was received.
- DoT had offered moratorium for the FY 2017-18 & FY 2018-19, the period which was not covered under the Judgment of hon'ble Supreme Court. The demand raised as per the moratorium offer letter dated 15.06.2022 for the FY 2017-18 was Rs 642 Lakh and for FY 2018-19 Rs 244 Lakh. QTL has accepted moratorium offer vide letter dated 22.06.2022 and the same has been consideration by DOT. Though, DoT has revised its demand for FY 2017-18 from Rs 642 lakh to Rs 482.19 lakh, revised moratorium demand is yet not received.
- QTL has already provided for license fee amounting to Rs. 267.24 lakh for FY 2017-18 and Rs 231.12 lakh for FY 2018-19 in the books of accounts. So the Company has considered differential demand of Rs. 336.17 Lakh as contingent liability.
- j The Company has received a demand of Rs. 5,276.27 Lakh vide letter dated 04-April/2018 and miscellaneous application no. 175 of 2019 from IDEA Cellular Limited (ICL) on account of International SMS Termination Charges for the period from Nov-17 to Feb-18. ICL has billed the Domestic SMS Traffic again to the Company in the pretext of International SMS Traffic, by citing reference to a paragraph of Interim Order of TDSAT vide dated October 13, 2017 towards petition No. 99 of 2017, which is reproduced as "if any International SMS Traffic is terminated from the Company to ICL Network in terms of A2P & P2P based on CLI / GTs or as well as on content, such SMS Traffic shall be charged at the rate of Rs. 5/- per SMS, the CDR reports furnished by ICL shall be considered final & conclusive". Whereas, the Company terminates only Domestic SMS Traffic at the network of ICL. The Company has replied suitably to the above demand letter of ICL vide its letter dated 06.04.2018 and also to the miscellaneous application filed by ICL before TDSAT, but the matter is not yet concluded and it is pending for hearing and the matter is in due course for final arguments. However, the Company is confident that no liability would accrue in future with respect to demand of Rs. 5,276.27 Lakh, however the same is considered as contingent liability as at March 31, 2026.

50 Financial Risk Management Objectives and Policies

The Company's principal financial liabilities, other than derivatives, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company's business activities expose it to a variety of financial risks, namely liquidity risk, market risk and credit risk. The Company's senior management has the overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

Management of Liquidity Risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows as at the Balance Sheet date.

Financial instruments affected by market risk include loans and borrowings, deposits, FVTOCI investments.

Notes to Financial Statements for the year ended March 31, 2026

(All amount are in Lakhs)

The sensitivity analyses in the following sections relate to the position as at March 31, 2025 and March 31, 2026.

POTENTIAL IMPACT OF RISK	MANAGEMENT POLICY	SENSITIVITY TO RISK
1. INTEREST RATE RISK		
Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. a) Company has Fixed deposits with Banks amounting to Rs. 2,061.57 Lakh as at March 31, 2026 (Rs. 32.34 Lakh as at March 31, 2025). Interest Income earned on fixed deposit for year ended March 31, 2026 is Rs. 32.48 Lakh (Rs. 17.43 Lakh for the year ended March 31, 2025). b) Company has Borrowing from Banks amounting to Rs. 31,027.10 Lakh as at March 31, 2026 (Rs. 31,027.10 Lakh as at March 31, 2025). Interest Expenses on such borrowings for the year ended March 31, 2026 is Rs. 1,079.06 Lakh (Rs. 2,557.53 Lakh for the year ended March 31, 2025).	In order to manage its interest rate risk, Company diversifies its portfolio in accordance with the risk management policies.	As an estimation of the approximate impact of the interest rate risk, with respect to financial instruments, the Company has calculated the impact of a 1% change in interest rates. a) A 1% increase in interest rates would have led to approximately an additional Rs. 2.06 Cr gain for year ended March 31, 2026 (Rs. 0.32 Cr gain for year ended March 31, 2025) in Interest income. A 1% decrease in interest rates would have led to an equal but opposite effect. b) A 1% increase in interest rates would have led to approximately an additional Rs. 3.10 Cr loss for year ended March 31, 2026 (Rs. 3.10 Cr loss for year ended March 31, 2025) in Interest expense. A 1% decrease in interest rates would have led to an equal but opposite effect.

Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions and other financial instruments.

Trade Receivables

Customer credit risk is managed by each business unit subject to the Company established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits which are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored. As at March 31, 2026, the Company had top 10 customers (As at March 31, 2025: top 10 customers) that owed the Company more than INR 5.14 Cr (As at March 31, 2025: 4.92 Cr) and accounted for approximately 22.15% (As at March 31, 2025: 19.18%) of all the receivables outstanding. An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note 10. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

Financial Instruments and Cash Deposits

Credit risk from balances with banks and financial institutions is managed by the management in accordance with the Company's policy. Counterparty credit limits are reviewed by the management on an annual basis, and may be updated throughout the year. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments. The Company's maximum exposure to credit risk for the components of the balance sheet at March 31, 2026 and March 31, 2025 is the carrying amounts as illustrated in Note 11.

Capital Management

Capital includes issued equity capital and share premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximize the shareholder value.
